

## WE'VE GOT YOU.

We're continuing to serve up **FREE MEALS** for the youth in our community! We strongly feel that our meal program is essential during this time. As of April 20, 2020, see below further details.

Meals offered will be Grab-N-Go (GNG) or Snack style. While **this program is for youth 18 and younger**, parents or guardians of children who cannot come themselves, may pick-up meals for their child and "grab and go."
